Glory: no of course you can't have a horse or unicorn or Pegasus or pegacorn.

Inferno: Please mom just one.

Glory: no it will get eaten like your rabbit did

Deathbringer: Come on Glory no one will eat it she can enchant it to have a magical collar that's says do not eat I am princess inferno pet. Plus you have a sloth.

Glory: fine but if it gets eaten by Clay...

Inferno: He won't eat a scavenger so he won't eat my horse.

Deathbringer: wake up inferno it's your hatching day.

Inferno: [Opens her eyes} She's beautiful I am going to name her Roxanne. What breed is she?

Deathbringer: A Belgian Thoroughbred. She's also going to have babies and is the fastest horse alive so she can gallop after you wherever you go.
(Inbetween Roxanne is 10 feet tall)

Inferno: She pets her horse and takes out a collar. Puts it in Roxanne.
